Forest Lakes Brush Pile and Dumpsters

BRUSH PILE is available for Forest Lakes residents to dispose of their yard trimmings such as pine needles; tree branches; trees (no stumps), etc. We do ask that trees be cut down to a manageable length so that other residents can haul them off and/or we can place them in the burner. We also take wooden pellets. Please do not dump furniture or trash in this area.

DUMPSTERS are available to Forest Lakes residents for household trash. Large items such as a mattress, appliances, carpet, construction materials, etc. should be taken to La Plata County Transfer station located on County Road 223. See our website for hours and detailed info.

REPORT VIOLATORS by getting a license plate number & description of vehicle; then call FLMD office at 884-2925 and we will contact Sheriff Dept.

Fire Wise Tip

Happy New Year!

As we burrow into our winter dens and get comfy, it's hard to imagine a wildfire can happen, but our area is so dry, we need to stay alert to the possibility. Do you have a go-bag and an evacuation plan in the event of a fire? There is some great information on making a plan and preparing your home found here: <https://www.ready.gov/wildfires>

We are going to be busy with communication, education, and workshops this year. Stay tuned for more information. If you are interested in being on an email list for more detailed information, please reach out to Dawn on the Forest Lakes NextDoor page or the FaceBook community pages. Let's have a FireWise New Year in Forest Lakes!
