## FIREWISE TIP

FLMD Board Meeting - July 10, 2018 at 1:30 p.m.

### FireWise Tip for July

It's hot! And it's dry. Current Fire Restrictions are changing quickly. Stage I, Stage II, Stage III. What does it mean and where are we currently? La Plata County, Forest Service, BLM, and Bayfield have a varying degree of levels at this time but it basically comes down to this:

#### NO FLAMES

If you have a particular question for your situation, call the Upper Pine Fire Department Admin or La Plata County. That's where Forest Lakes is covered. If you're traveling to public lands, call the particular office connected to that location. Trust me, they'd rather have the 'question' call than the 'report of a fire' call.

#### And just a reminder ~ NO FIREWORKS

This includes sparklers, snakes, or ground displays, etc. Let's just be safe and enjoy the Fourth without the fire danger!

**FLMD OFFICE, MAINTENANCE SHOP, DUMPSTER AND BRUSHPILE WILL BE CLOSED ON WEDNESDAY, JULY 4<sup>TH</sup>.**

### RECYCLING IN FOREST LAKES

IF YOU ARE INTERESTED IN PARTICIPATING IN THE FOREST LAKES RECYCLING PROGRAM, YOU MAY CONTACT TDL RECYCLING AT (970)749-4762. FLMD IS NOT FORCING ANYONE TO RECYCLE, WE ARE ONLY TRYING TO MAKE A PROGRAM AVAILABLE TO THE RESIDENTS THAT HAVE BEEN ASKING FOR IT. PARTICIPANTS WILL BE BILLED DIRECTLY BY TDL RECYCLING.

MAILSTOP HAS BEEN PAINTED AND WE THANK JEREMY FOR THE GREAT WORK. WE'D ALSO LIKE TO THANK TONY & ANNE SCHRIER FOR THE NEW BULLETIN BOARD THEY PROVIDED FOR FIREWISE NOTICES.

**HAPPY FOURTH  
OF JULY  
ENJOY THE  
HOLIDAY,  
PLEASE BE SAFE**

### FIRE BAN STILL IN EFFECT

**A Stage 3 Fires Ban is still in effect. This means no open burning including camp fires and no smoking outside. The county wide ban does apply to Forest Lakes. Please be careful!**

**EMERGENCY EXIT MAPS – HAVE BEEN POSTED AT THE MAIL STOP AND PINE VALLEY ROAD AND ONE WILL BE PLACED BY THE FIRE DANGER SIGN.** You may also pick up an evacuation map at the office or download from our website.

**PLEASE NOTE:** There are 3 exits – 1)Main entrance/exit, 2)Frontage road entrance/exit and 3) Emergency Exit Only - located at the end of Pine Cone Dr. or E. Pine Top Dr.

**IN THE EVENT OF AN EMERGENCY –** Take the route that is safest for your exit. It is important that everyone knows the location of ALL the exits just incase you need to find an alternate route.
